NEW Lower Pricing on Twist-n-Pull™ Mailing Tubes

Available in compact 10.75" wide x 25" length display

Twist-n-Pull™ mailing and shipping tubes outperform standard plastic end caps. Twist-n-Pull™ caps are designed to stay locked in place until removed by hand - with one easy "twist and pull" - eliminating the need for tape or staples to keep caps in place. Aside from the ease of use, Twist-n-Pull™ allows the mailing or shipping tube to be reused many times over!

Available in the **SS-MT3P** display which features a smaller footprint, which saves you floor space!

Visit www.supplysideusa.com and select "Shipping & Mailing / Mailing Tubes" from the menu to place your order or call **1-800-284-7357** and select option 1
